Additional Subcontracting Goal Considerations

Although the Department of the Army has not assigned goals in the subcontracting category of HBCU/MI, note that both the ISR and SSR Forms for subcontract reporting require “other than small” prime contractors to include HBCU/MI. Therefore, the following guidance is provided:

In support of the HBCU/MI Program, contracts awarded that provide for HBCU/MI subcontracting opportunities should include a HBCU/MI subcontracting goal consistent with the anticipated subcontracting opportunities associated with work HBCU/MIs perform.
